

International Application No. PCT/SE03/00651
Title: A DEVICE AND A METHOD FOR SAMPLING OF MILK
Preliminary Amendment

Amendments to the Specification:

An Abstract typed on a separate sheet pursuant to Rule 1.72(b) taken from the abstract of the invention appearing on the cover page of the published International Application is presented in the Appendix sheet. The Abstract has been marked to show the changes from that which appears in the published International Application.

Please amend the specification at page 1, line 5 to delete the identification of the assignee as follows:

~~Applicant: DeLaval Holding AB~~
